Good morning Team,

Please see below [[appts. in blue](#)], please contact the physicians' offices to ensure any testing, etc. be returned to BSLMC if possible.

Also, please contact the patient(s) the day before [*for Monday morning appointments, please call on Fridays*] to ensure they come to their appointment(s) to help decrease scheduling interpreters or physician appointment(s) unnecessarily.

Please confirm if you were able to touch base with your patient and/or physician's office(s).

Thank you – Carlos.

**Subject:** New Patient Form

Attached, please find the new patient follow-up form we discussed yesterday.

As we identify ways to increase our international volume, I am asking you to provide a copy of this form to each patient prior to their physician visit (please complete the mid highlighted section). Our objective to this is to have documentation on patients' follow-up as well as a sense of the physicians' offices feedback on what tests/procedures are being requested. Collecting these from the patients will be critical so please ensure you reach out to them after their visits.

I will be collecting these forms to share with Tania so please forward a copy to me once you receive them. Any questions on the form or the process let me know. Thanking you for your continued assistance to the services we provide to our international patients.

-Angie
